

Thank you dog owners

1,000 dog waste survey target reached!

NB - When bagging
dog waste
ensure your bag has
the compostable symbol

AS4736

Survey snapshot

- The majority of dog waste responders indicated that reducing the amount of dog waste sent to landfill is extremely or very important (85.8%)
- About 1 in 5 dog waste survey responders had seen the seedling logo before (22.8%)
- Prior to the survey almost 14% were aware of what the seedling symbol means (Australia Compost Standard)

A project to trial strategies to reduce dog waste and plastic to landfill has just commenced, led by the Friends of the Port Elliot Dog Park and funded by an Alexandrina Council Community Environment grant in November 2019. Project partners include Alexandrina Council, Fleurieu Regional Waste Authority and Uni SA.

Future updates will be available via www.portelliott.org.au or via the Friends Facebook Group
